

ERTAN OZAYDIN - UX DESIGNER

Paris, France | Open for mobility in Europe | ertan.ozaydin@gmail.com | +33 6 51 41 76 84 | [My portfolio](#) | [LinkedIn](#)

Hybrid Profile & Versatile Expert

Acting as a key pivot within product teams, I combine proven expertise in UX Design (User Research, Prototyping, Design Systems) with a strong technical culture.

- With 5 years of experience, I manage the entire design cycle to transform complex problems into intuitive interfaces.
- My data-driven approach has boosted product engagement by creating fluid bridges between business challenges and development.

Professional Experience

WEZEN (DATAWORDS) | UX Manager | 2021 - 2024

- **UX & Data Strategy Leadership:** Global management of user experience including interviewing, research, end-to-end design, and organizing AB tests.
- **Business Impact & Engagement:** Increased NPS by +4 points and response rates by 35% following the strategic redesign of NPS emails.
- **Design Ops Governance:** Creation and maintenance of a unified Design System to optimize product consistency and technical velocity.
- **Agile Project Management:** Operational steering, ticketing, and tracking via JIRA.
- **Strategic Communication:** Preparation and presentation of keynotes for stakeholder alignment.

FREELANCE | UX Design & CRM Consultant | 2019 - Present

- **Audit & Product Resolution:** Strategic support regarding usability and conversion issues.
- **CRM Expertise:** Optimization projects for customer experience and workflows via Salesforce and Brevo.
